3X VILLAS
2X APARTMENTS

Embracing the art of the Dolce Vita lifestyle with **private villas and apartments**. A perfect blend of comfort and nature. Where rustic charm meets barefoot luxury. And only a 15 minutes walk to Borgo di Gello.

In summer, the huge thick original stone walls create wide, airy and fresh spaces, while making it extremely cozy in winter. Every house is complete with at least 2 full bathrooms, a fully functional kitchen and living space and private outdoor area.

The room set-up can be arranged in any way you require; all single beds, all double beds or a mix, both for Gello and Castello.

FOOD & DRINK PLAN

WE ARE HAPPY TO CATER TO ALL DIETARY REQUIREMENTS. FROM VEGETARIAN, TO VEGAN, LOW CARB TO GLUTEN FREE.

We see food as a connector between people and nature. By collaborating with local producers we can offer our guests high quality food, coming straight from the land. The food plan **includes a full breakfast, lunch and dinner every day**. Coffee, tea and fresh spring water are free at all times –you can even pick your own mint leaves from our herb garden for a refreshing organic mint tea!

The drink plan **includes beers, soft drinks, white, red, rose wine and prosecco**. At novanta it's all about helping yourself and we think it's really great when you make yourself at home in our village – and that means taking your own beer from the fridge! And don't worry, the bar is fully stocked at all times!

OUR EXPERIENCES

THERE IS ALWAYS SOMETHING TO DO IN OUR VALLEY

Amongst our team, we have done a lot of traveling all over the world, and stayed in everything from 5 star skyscrapers, city centre pitstops and crumbling shacks in the middle of the forest. But what we all missed from these experiences was the **connection with the real life and real people around us**. So this is where we were determined to make Novanta different. We offer different activities which we can organize simultaneously and switch around so that everyone can join as many as they wish.
